On Saturday, August 15, 2020 at 11 o'clock Black Lives Matter was held at New York State Union Teachers 30 Union Street Rochester, NY 14607. During Opening ceremonies all Union Officers were asked to raise their hands. All these Unions were recognized by there Union Name and thanked for attending and supporting labor and the Black Lives Matter event. Our manager Gary Bonodonna Jr. Wrote his thoughts on Black Lives Matter and Labor. One sentence to share with everyone from Gary Bonodonna Jr; If labor is going be successful we need to support everyone in the Labor, Unions and Non Union. There were many other labor leaders speaking at this event. Workers United had 19~Union Members and friends from Rochester Regional Joint Board who attended. Workers United as a Group had the most representation wearing labor shirts. Approximately 100 Union Members and Friends of Black Lives Matter attended this great event with the opportunity to Register to Vote and complete Census form 2020. We were asked to bring a gift card for Healthcare Workers here in Rochester New York. There were two automobile clubs there who brought their Corvettes and Cadillacs. All Labor Unions were challenged to be activists and to participate and have a voice. Julia Black captured the event by photos and video from Workers United Rochester Regional Joint Board.
