July 2021 WRO Notes

- Important “Healthcare Message” ~ On August 3, 2021 at 9 AM I was informed by WRO Monroe county health Jim Bloomfield. Due to the Delta COVID-19 variance all members of the WRO must wear face masks at WRO meetings, even “Vaccinated” ! The COVID-19 Delta strain is transmitted through the nose and mouth area. When eating or drinking, masks may be removed then put back on. My recommendation is that the WRO members seat 4/ Four at a table until further notice. It is our responsibility as the WRO Officers and Board members to protect all WRO members including members of Workers United RRJB.
